The American Photographie Porcelain

unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirons of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they seil at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Galleries in New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by rive politais, will receive in return by express, free of other charge, a richly ornamented literakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a diguerreotype and respectively the patented process.

TAKE pleasure in announcing to my old friends and customers that after an absence of two years, I have again returned to resume the practice of the PHOTOGRAPHIC ART in all its branches, having purchased the interest of my brother in the old establish ed Gallery in Union street, and having spent lou months in New York the just Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the soite of Rooms throughout. That my facilities are now better to produce first-class work than most Galleries can boast of, and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has hereto-fore sustained, but to elevate it to a still higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world; who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but my work shall not be surpassed North or South and now introduce to the public the following new

Imperial Phothgraph, India Ink, Vigenette, plain or colored, Ivorytypes, "
Pastel Portal Pictures, life size, Photographs on Carvass, the size,
Visiting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Stereoscopes, on glass or paper,
I still continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in want of anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.

Propositofits

F. N. HUGHES.

With many other styles Extra Fine. For sa'e cheap. Call and examine, JOHN RAMAGE, MANHOOD, HOW LOST, HOW RESTORED. Just Published, in a Sealed Envelope, A LECTURE ON THE NATURE, TREATMENT AND RA-DICAL CURE OF SPERMATORRHOEA, or Seminal Weakness, Sexual Debility, Nervousness and Involun-tary Emissions producing Impotency, Consumption and Mental and Physical Debility.

BY ROB. J. CULVERWELL, M. D., The important fact that the awful consequences of self-abase may be effectually removed without internal medicines or the dangerous applications of caustics, instruments, medicated boughes, and other empirical devices, is here clearly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated author fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This Lecture will prove a boon to thousands and thousands.

Sent under seal to any address, rost-raid, on the receipt of two postage stamps, by addressing Dr. CHAS. coipt of two postage stamps, by addressing Dr. CHAS.
